Development | Joshua Roadmap

Illustrative 90-day planning exercise inspired by Joshua

Vision and success

Vision: Guide the people into the land with faithful, coordinated leadership.
Success: People are prepared, cross the Jordan, and establish a base for the next stage.

Days 1-30 | Prepare

Illustrative milestone: Align leaders and people.
Actions: Communicate instructions, ready supplies, coordinate tribes and priests (Joshua 1:10-18).

Days 31-60 | Execute

Illustrative milestone: Cross the Jordan together.
Actions: Follow the priests carrying the ark; complete the crossing (Joshua 3).

Days 61-90 | Remember and orient

Illustrative milestone: Establish a shared reminder.
Actions: Set memorial stones at Gilgal; explain their meaning to future generations (Joshua 4).

Accountability and observed results

Measures: Instructions communicated, crossing completed, memorial established.
Biblical results: Crossing completed; stones set up.
The 30/60/90-day timeline is invented for teaching; the text does not specify these intervals.
